

PROGRAMMING

THE MUGA RIVER

16 and 17 of may

SATURDAY

10:00 h - 11:00 h

YOGA WATER ELEMENT

We start the day with a gentle yoga session connected to the water element, helping us awaken the body and stretch.

11:30 h - 12:45h

CREATE YOUR OWN RIVER

In this activity, we will build the first part of our river model, shaping our landscape—from its source to its mouth

16:00 h - 17:00 h

FAMILY GYMCANY: THE MUGA ADVENTURE

A dynamic and competitive scavenger hunt where families compete to complete a series of challenges related to the Muga River.

17:15 h - 18:15 h

LET'S BRING OUR RIVER TO LIFE

In this second part, we will complete our river model! We will paint the landscape, add details that bring it to life, and place labels to identify its parts.

18:15 h - 18:45 h

FREE PLAY

Play freely or choose from a variety of board games from the Bassi Club and enjoy time with your family or friends.

SUNDAY

10:00 h - 11:00 h

WATERPAINTING: THE LEGEND OF THE NÀIADE

we will discover and paint the Náyade using watercolors. This nymph represents the purity and spirit of the Muga River, protecting its course, often combing her hair or resting along its banks.....

11:15 h - 12:30 h

EXCURSION TO THE RIVER

We will visit the impressive pools of the Muga River, learn about its history and importance, and immerse ourselves in nature to enjoy an unforgettable experience

PROGRAMMING

CIRCUS

23 and 24 of may

SATURDAY

10:00 h - 11:00 h

FAMILY YOGA

We start the day with a gentle yoga session to wake up the body, stretch, and connect, either individually or as a family.

11:30 h - 12:45h

CIRCUS DECORATION AND COSTUMES

Participants will design their own circus artist costumes... from magicians to jugglers and clowns.

15:30 h - 16:00 h

WE MAKE JUGGLING BALLS

In this workshop, we will create our own juggling balls using balloons, flour, rice, or lentils.

16:00 h - 16:30 h

WE LEARN TO JUGGLE

Now that we already have our balls, it's time to practice more circus skills!

17:00 h - 18:30 h

FAMILY MOVIE TIME

To end the afternoon, we will sit in the constellations room to enjoy a good family movie related to the world of the circus...

SUNDAY

10:00 h - 11:00 h

CIRCUS FACE PAINTING

We will paint our faces to become clowns, magicians, jugglers, or other circus characters...

11:30 h - 12:45 h

TALENT SHOW

Boys and girls will showcase the skills they have learned, whether through juggling, magic tricks, or creative performances.

PROGRAMMING

MASTERCHEF CLUB

30 and 31 of may

SATURDAY

09:30 h - 11:30 h

VISIT TO THE AGROSHOP

We start the day with a family outing to visit the Olivet of Mas Ferran! There, a guided tour awaits us through its fields of fruits, oils, and more surprises...

11:30 h - 12:45h

WE PREPARE OUR PIZZA RECIPE

Now it's time to put our creativity and inner masterchef to the test! Using everything we've learned and the products we've seen, we will prepare our own pizza recipe.

15:30 h - 16:30 h

WE MAKE A PERSONALIZED MASTERCHEF HAT

In this craft activity, we will make our own personalized chef's hat, which we will use in the cooking workshops to become a true masterchef.

16:30 h - 17:30 h

WE PREPARE OUR PIZZA RECIPE

In this workshop, we will knead and shape our pizza base into any form we like. Then we will add all the ingredients to the base, including what we bought in the morning at the agro-shop.

18:00 h - 18:45 h

WE TASTE THE PIZZAS AND CHOOSE A WINNER!

After so much creativity, it's time to have fun! As the pizzas come out of the oven, we will taste them and decide who the best cook is...

SUNDAY

10:00 h - 11:00 h

WE MAKE A HEALTHY BREAKFAST!

This Sunday morning will be dedicated to making a healthy breakfast! Using fresh, basic ingredients, we will make delicious pancakes

11:30 h - 12:45 h

ARCHERY

Come try your luck and enjoy some family fun with our archery activity!

PROGRAMMING

WILD ANIMALS

6 and 7 of June

SATURDAY

10:00 h - 11:00 h

WATER ELEMENT YOGA

We start the day with a gentle yoga session connected to the water element, which will help us wake up the body and stretch.

11:30 h - 12:45h

Excursion: EXPLORERS!

This short excursion will serve as an educational guide to understand how these flying creatures that surround us live, and to relax while listening to their sounds...

16:00 h - 17:00 h

Craft: MAKING MOBILES

During this creative workshop, participants will have the opportunity to design and build decorative mobiles inspired by the birds we have seen and studied during the morning.

17:00 h - 17:30 h

ARCHERY

Come try your luck and enjoy some family time with our archery activity!

18:00 h - 18:45 h

FREE PLAY

Después de un día lleno de actividades dirigidas, es el momento de divertirse y terminar la tarde con juego libre.

SUNDAY

10:00 h - 11:00 h

MUD FOOTPRINTS

Once we've done this small analysis, it's time to create our own footprints. We'll make them out of clay, each child will choose their favorite animal and shape its footprint.

11:30 h - 12:45 h

Game: LIKE ANIMALS!

A fun moment where you can step into the skin, or feathers of an animal to end the weekend with lots of laughter.

PROGRAMMING

SUMMER SOLSTICE

20 and 21 of June

SATURDAY

10:00 h - 11:00 h

SOLAR CIRCUIT

In this fascinating activity, we will observe sunspots, the chromosphere, and the photosphere through a solar telescope using special filters.

11:30 h - 12:30 h

SOLAR ART

In this craft session, participants will explore painting and origami techniques, creating their own sun using materials such as cardboard, tissue paper, and colored card.

16:00 h - 17:00 h

SOLAR SYSTEM MURAL

In this creative activity, participants will work together to create a mural about the solar system using not only acrylic paint, but also different materials to add texture and relief.

17:15 h - 18:00 h

ARCHERY

Come and try your luck and enjoy some family time with our archery activity!

18:00 h - 18:45 h

JUEGO LIBRE

Después de un día lleno de actividades dirigidas, es el momento de divertirse y terminar la tarde con juego libre.

SUNDAY

10:00 h - 11:00 h

SUMMER SOLSTICE YOGA

We begin the day with a gentle yoga practice dedicated to the solstice and its solar energy.

11:30 h - 12:30 h

SOLAR SYSTEM MURAL

In this creative activity, participants will work together to create a mural about the solar system using not only acrylic paint, but also different materials to add texture and relief.

16:00 h - 17:00 h

WATER GAMES

After a morning of land-based activities, we will enjoy some water games to refresh both body and mind.

17:30 h - 18:30 h

CLAY FIGURE MAKING

We continue the afternoon by creating works of art made with clay and organic elements.
